

INFLAMMATORY BOWEL DISEASE CLINIC

Inflammatory Bowel Disease Symptoms

At any time that you are concerned that your IBD symptoms are worsening and you are getting sicker, contact your IBD healthcare provider or family physician to discuss your symptoms OR proceed to the nearest urgent care center or emergency room for assessment.

If you develop sudden severe symptoms that may or may not be related to the medications you are taking, you are to proceed to the nearest emergency room or activate your emergency response system for assessment.
